PRINCIPAL’S REPORT

School zone safety
A reminder to parents about the operation of school speed zones around the Easter holidays. School zones exist for the safety of children and families; they will operate on Thursday 28 March, then resume on Tuesday 2 April.

Forty-kilometres-an-hour school speed zones operate across New South Wales at all school sites on gazetted school days, which are all days the school is open, even pupil-free days.

Practise to be a journalist
This website could definitely make practising writing and spelling more interesting for all of us. Make a newspaper clipping with your own headline and story. Your child may even start imagining themselves as a publisher or journalist.

High school
Thinking on your feet
This week’s most common question on the School A to Z parent website:
Q: What’s a surd?
A: A number that can’t be simplified to remove a square root (or cube root etc). eg: \(\sqrt[3]{11}\)

Here’s some help sheets on surds.

Bullying knows no bounds
When cyberbullying hits home - what one mum wishes she’d done differently. Because most cyberbullying happens in the home, parents need to be aware of the technology that young people are using.
