AUSTRALIAN HISTORY COMPETITION

Dear Parent / Caregiver,

Your child has been offered the opportunity to participate in the Australian History Competition. Each year over 25,000 students enter the completion across the country.

The examination offers students an opportunity to test their historical skills and knowledge on broadly based topics and the chance to win a prize if they are the top students in their year in the competition.

It is recommended that parents support this initiative as a means to further develop student performance in History.
